

# PET FOOD DRIVE

Unity Animal Hospital is holding an ongoing pet food drive with donations being delivered to the Loaves and Fishes Food Pantry.

When people are struggling, often the needs of their pets are too much of a burden to bear. In an effort to keep pets in their loving homes and make sure their nutritional needs are met, we are asking for your help.

**Please bring unopened dog or cat dry or canned food as well as treats to Unity Animal Hospital. There is a collection basket in the waiting area.**

*The Loaves and Fishes Food Pantry is a volunteer staffed food pantry housed in Prospect Hill Baptist Church in Prospect Park. They are a non-denominational, non-sectarian food bank that covers roughly the Ridley and Interboro School Districts. They are a member of the Delco Interfaith Food Assistance Network (DIFAN), an organization of 11 food pantries covering Delaware County. For more information please visit their website at [www.delcoloaivesandfishes.org](http://www.delcoloaivesandfishes.org)*
